Steering Committee, WG leaders & OTM post-meeting		17.15 – 18.00

MCS - DCS Interface Standardization

Map / Directions

To reach The Cumberland Hotel by road...

From the Marble Arch monument, take the first left down Great Cumberland Place: you'll find the entrance to The Cumberland Hotel on the left-hand side, just before you reach Marble Arch Tube station. APCOA parking is available nearby on Bryanston Street at an additional charge.

To programme your sat-nav, use the postcode W1H 7DL

For guests arriving in London by rail...

London Paddington station is 1.0 mile away.

London Underground: Take the Central line to Marble Arch Station. Turn right out of the station, then almost immediately right again into Great Cumberland Place; The Cumberland Hotel will be on your right.

To reach The Cumberland Hotel from the airport...

If you're flying into London City Airport, The Cumberland Hotel is 11 miles away: take the Docklands Light Railway (DLR) to Bank Station, then the Central line to Marble Arch.

From London Heathrow, we recommend the Heathrow Express: this runs direct from the airport to London Paddington in just 15 minutes (20 from Terminal 5) and there's a train every quarter of an hour. From Paddington take the Underground: Circle Line to Notting Hill Gate and then the Central Line to Marble Arch.

The Gatwick Express runs a similar service into London Victoria. From there take the Underground: Victoria Line to Oxford Circus and then the Central Line to Marble Arch.
